Ways to Source Hiring Practices

- A** I temp through onDiem, and would be happy to help your practice out. You can book me directly and receive an exclusive discount for their subscription plan using my link. onDiem offers a One Shift Guarantee so you don't pay for the subscription until your first temp shift is filled (by me).
- Q.** What does it cost me to post a temp shift?
A. Nothing. Only pay if the shift is worked.
- Q.** What are the fees?
A. onDiem offers a lot of options to keep costs low for the practice. You can see all the exact fees on my landing page. To get the lowest rates, make sure to use my link to create your account.
- B** onDiem helps practices with payroll compliance because all of the temps are W-2 employees of onDiem.
- C** Temp shifts are free to post. A practice is only charged for a temp shift when the shift is filled and worked.
- D** Have you tried posting your permanent position with onDiem? They are a nationwide staffing platform with fully vetted and credential candidates. Here is my Brand Ambassador link to sign up for FREE. You can pay as you go or sign up for a PREMIUM account and post 4 permanent job posts per month for FREE.
- E** Take care of your patients while hiring and maintaining your production. You can use the temp shifts as working interviews through onDiem. If you are on their subscription plan, there's no conversion fee.
- F** If you change your mind here is my Brand Ambassador link to get discounts and save on future permanent or temporary shifts.
